P. 29-30: Student Appeal/Grievance Procedures

The following procedure should be used for any appeal, including academic appeals that are generated from a student or on behalf of the student population of the College:

1. The appeal shall be presented in written form within five working days after the occurrence of the situation. A student wishing to appear before an appeal committee must state his/her request in writing. This request must be submitted to the Registrar, who is designated as the Judicial Appeals Officer or to the Vice President for Student Affairs. The student will be notified of the committee's meeting time, date, and location by the Judicial Appeals Officer. Students can also report a concern or grievance using the College's toll-free number, 1-866-890-6933, or via email at brtstudentgrievance@blackrivertech.edu
2. The Judicial Appeals Officer will submit the appeal to the Appeals Committee for the committee's consideration. If the Appeals Committee cannot reach a majority decision, the appeal will be presented to the Administrative Appeals Committee. If the appeal involves grades, policies, or procedures, the Judicial Appeals Officer will present the appeal directly to the Administrative Appeals Committee for consideration. The Appeals

Committee has no authority, in any circumstance, to overturn grades or to change the policies and/or procedures of the College. The Judicial Appeals Officer will notify the student in writing of the decision rendered within five working days.

3. If the appeal has not been resolved, the student may appeal the decision of the Appeals Committee within five working days from the date of notification. This appeal shall be in written form and shall be submitted to the Judicial Appeals Officer.

The Appeals Committee will consist of three of the following individuals:

- Director of the Career Pathways Program
 - Registrar's Assistant
 - Division Chair of Technical Education
 - Division Chair of General Education
 - Division Chair of Allied Health
 - Paragould Academic Site Coordinator
4. The Judicial Appeals Officer will submit the appeal to the Administrative Appeals Committee for the committee's consideration. The Administrative Appeals Committee will arrive at a conclusion and will submit the decision to the Judicial Appeals Officer. The Appeals Officer will notify the student in writing of the decision rendered within five working days.

The Administrative Appeals Committee will consist of the following:

- Vice President for General Education
 - Vice President for Technical education
 - Vice President for Administration
 - Associate Vice President of Finance
 - Vice President for Student Affairs
 - Vice President for Institutional Advancement
5. In the event a student is dissatisfied with the decision of the Administrative Appeals Committee, she/he may submit a written petition to the governing board, through the college President, to have the case reviewed.

Upon receipt of the appeal by the President, a meeting date and time will be established within 14-21 days with the Executive Committee of the BRTC Board of Trustees. The Executive Committee will review the appeal. A majority vote of the Executive Committee will be the final decision.

After following the institution's grievance procedure, students may file a grievance in writing with the Arkansas Department of Higher Education within ADHE's prescribed timeline with the ICAC Coordinator, Arkansas Department of Higher Education, 114 East Capitol, Little Rock, AR 72201.

Students having concerns pertaining to the compliance with Title VI, Title IX, or Section 504 of the Rehabilitation Act of 1973 should direct their concern directly to the Vice President for Student Affairs or refer to the Sexual Harassment Policy and Procedures found on pages 24- 38 of the Student Handbook and pages 31-42 of the College Catalog. Unresolved concerns may be directed to the Office for Civil Rights, US Department of Education, 1200 Main Tower Building, Dallas, TX 75202.
