_____ Anticipated Graduation Semester _____

Original placement in developmental education courses is determined by ACT, ASSET, COMPASS, Accuplacer, or SAT test scores. I understand that if required to enroll in developmental education courses as a result of my test scores and Arkansas law, Act 1101, an additional semester may be required to complete my program of study.

As mandated by Act 472 of 2007, I have been informed of the Arkansas Course Transfer System, and how to determine which courses will transfer to other Arkansas public institutions. Website <u>http://acts.adhe.edu</u>

ACT Transfer Courses

Courses notated in the degree plan with the "~" symbol are considered ACTS courses. The Arkansas Course Transfer System (ACTS) contains information about the transferability of courses within Arkansas public colleges and universities. Students are guaranteed the transfer of applicable credits and equitable treatment in the application of credit for admissions and degree requirements. For further information the ACTS website link can be reached at http://acts.adhe.edu/studenttransfer.aspx.

Articulation

Arkansas State University-Jonesboro (ASUJ) and Black River Technical College have an articulation which will allow students seeking a Bachelor of Science in Agriculture Business to transfer seamlessly. Students who earn the Associate of Science in Agriculture at BRTC will be admitted to the Bachelor of Science in Agriculture Business at ASUJ as a junior if all admission requirements are met.

Courses may apply to other 4-year degrees as well.
