As mandated by Act 472 of 2007, I have been informed of the Arkansas Course Transfer System, and how to determine which courses will transfer to other Arkansas public institutions. Website <http://acts.adhe.edu>

### ACTS Transfer Courses

Courses notated in the degree plan with the “~” symbol are considered ACTS courses. The Arkansas Course Transfer System (ACTS) contains information about the transferability of courses within Arkansas public colleges and universities. Students are guaranteed the transfer of applicable credits and equitable treatment in the application of credit for admissions and degree requirements. For further information, the ACTS website link can be viewed at <http://acts.adhe.edu/studenttransfer.aspx>.

### Articulation

Arkansas State University-Jonesboro (ASUJ) and Black River Technical College have an articulation, which will allow students seeking a Bachelor of Science in Agriculture Business, Animal Science, Plant and Soil Science, and Agricultural Studies to transfer seamlessly. These degrees include a wide variety of emphasis areas. Students who earn the Associate of Science in Agriculture at BRTC will be admitted in the appropriate Agriculture Program at ASUJ as a junior if all admission requirements are met.

Courses may apply to other 4-year degrees as well.
