

## Associate of Science in Criminal Justice 2022-23 Degree Plan 60 credit hours required

Original placement in developmental education courses is determined by ACT, COMPASS, Accuplacer, or SAT test scores. I understand that if required to enroll in developmental education courses as a result of my test scores and Arkansas law, Act 1101, an additional semester may be required to complete my program of study.

## **ACTS Transfer Courses**

Courses notated in the degree plan with the "~" symbol are considered ACTS courses. The Arkansas Course Transfer System (ACTS) contains information about the transferability of courses within Arkansas public colleges and universities. Students are guaranteed the transfer of applicable credits and equitable treatment in the application of credit for admissions and degree requirements. For further information the ACTS website may be viewed at <a href="https://adhe.edu/students-parents/transfer-info-for-students">https://adhe.edu/students-parents/transfer-info-for-students</a>

## Articulation

Williams Baptist University (WBU), Arkansas State University-Jonesboro (ASUJ), Arkansas Tech University (ATU) and University of Arkansas Fort Smith (UAFS) have an articulation which will allow students seeking an Associate of Science in Criminal Justice from BRTC to transfer seamlessly. Students who earn the Associate of Science in Criminal Justice at BRTC will be admitted as a junior if all admission requirements are met. Courses may apply to other 4-year degrees as well.

As mandated by Act 472 of 2007, I have been informed of the Arkansas Course Transfer System, and how to determine which courses will transfer to other Arkansas public institutions.
