Evaluation of Transferred Credit

Date Adopted: 5/18

Revised: 5/21, 5/22

Black River Technical College evaluates all credits that it transcripts, including requested transfer credit awarded for prior learning. Transfer credit will only be considered if the credit is documented on an official transcript from another regionally-accredited institution and the grade received for the credit is a “D” or better. Students are guaranteed the transfer of applicable credits for all courses documented as equitable within the Arkansas Course Transfer System (ACTS). Transfer credit from institutions, other than public Arkansas colleges, will be evaluated by the Registrar’s Office to determine transferability through procedures described in the College Catalog.

When requested, BRTC will also evaluate prior learning experiences to determine if prior learning credit may be awarded. Prior learning credit will be evaluated and awarded consistent with processes and procedures outline in the Prior Learning Credit Application Manual.
