BRTC Student Handbook

Policy Statement

Policies and procedures stated in this handbook—from admission through graduation—require continual evaluation, review, and approval by appropriate college officials. All statements in this handbook reflect policies in existence at the time this handbook was published. The College reserves the right to change policies at any time and without prior notice.

BRTC Mission Statement

Black River Technical College transforms lives through quality academic and career education to enhance the community we serve.

BRTC Vision

BRTC will lead our community in learning and economic development.

BRTC Values

- **Students** – Students’ needs are the foundation of our academic, co-curricular, and financial planning.
- **Quality** – At Black River, we strive to provide our students with excellent academic programs, encouraging support services, and administrative support to meet students’ goals.
- **Learning** – We provide degree programs, professional training, enrichment experiences, and collaborative opportunities to foster career and personal improvement.
- **Community Relationships** – The strengths and challenges of our community shape us. We collaborate with our community to share strengths and resources, learn together, and address the needs of our region.

Academic Advising

During registration, an advisor will be assigned to each student. The advisor will:

- Be a faculty member in the area most closely related to the student's major;
- Help the student choose appropriate courses before registration each semester; and,
- Direct students to information on financial aid, testing, tutoring, and career placement.

Accidents/Medical Conditions

Accidents

To provide needed care and appropriate response, students with serious medical conditions should inform their instructors and the Director of Student Development of such illness. In the event of an accident, an ambulance may be called to transport the student to the local emergency room for proper assessment. **Note: not all health or accident policies cover ambulance services.**

Seizure Disorders

If a student has a seizure disorder, it is a possibility that the student may have an episode while on campus. Every student who has a seizure disorder should notify the ADA Coordinator of the degree of the disorder, preferred procedures, and emergency contacts. A “Student Seizure Disorder Agreement Form” will then be turned into the ADA Coordinator. For the student’s safety, a copy of this agreement will be given to instructors, security, and administrators as needed or at the discretion of the student.

Account Balances and Collections

Tuition and Fees / Student Account Balances

Current tuition and fees estimates are listed on the BRTC website by clicking on the Tuition and Fees tab on the BRTC homepage.

If a student has a question about their account balance they may call the Business Office at 870-248-4000 ext. 4116.

Past Due Balances and Collections

A student receivable becomes past due if payment is not received by the payment due date. Students with past due balances from previous semesters are placed on a business office hold and not allowed to register for subsequent semesters unless the exception is approved by both the Vice President of Finance & Administration and the Vice President of Student Affairs. A business office hold includes preventing the release of academic transcripts as well.

A concerted effort should be made to collect accounts. Once an account is past due, statements will be mailed for three consecutive months. If still unpaid, the past due balance will be sent to a collection agency. The College has established written collection procedures for accounts receivable. As a state agency, the College also has a right to ask for state income tax refund set off as an alternative collection method. Collection activities include any collection activities authorized by law.

Adding and Dropping Courses

Adding a course or courses: Students may add courses prior to the start of the academic semester after meeting with their advisor and discussing their academic schedule. Any course additions after the semester has begun must be requested through the Student Affairs Office or the Registrar's Office.

Dropping a course or courses: Students must request to drop a course or all courses by logging into the MyBRTC portal and completing the drop form. Students will receive follow up communication regarding their drop request from their assigned advisor.

Non-attendance does not guarantee automatic withdrawal from courses. Students who choose not to drop a course and do not attend the course will be billed and a transcript will be created for that semester. BRTC has processes in place to drop students that do not attend or access their course before census reporting each semester. Students must check the schedules and enrollment on MyBRTC (www.mybrtc.blackrivertech.org). Contact the Registrar's Office or admissions with any questions.

Administrative Withdrawal

Administrative withdrawals are only granted after the official drop date has passed. The administrative withdrawal is only administered by the Vice President of Academics or Registrar. All Administrative withdrawals must have justifiable extenuating circumstances and must have supporting documentation to demonstrate the need for withdrawal.

Examples of supporting documentation include a letter from a doctor, an obituary, or documentation from the court system. Students who request administrative drops will be notified of approval or disapproval by email or letter from the Registrar. Allied Health and LETA programs are exempt from this process; students may be dropped for policy violations with an administrative withdrawal according to the policies put in place for these specific programs.

Accuplacer

The Accuplacer is used by many two-year colleges to determine the placement level established by the Arkansas State Board of Higher Education of students in math, English, and reading. Accuplacer is an integrated system of computer-adaptive assessments designed to evaluate students' skills in reading, writing, and mathematics. For over 30 years, Accuplacer has been used successfully to assess student preparedness for introductory credit-bearing college courses. Accuplacer delivers immediate and precise results, offering both placement and diagnostic tests, to support intervention and help answer the challenges of accurate placement and remediation. Contact the Office of Admissions for more information.

American College Testing Program (ACT)

BRTC is a designated regional testing center for the ACT. Tests are administered on specified national testing dates. Students wishing to take the ACT test should contact the Director of Distance Education at 870-248-4000, ext. 4049, for testing dates.

Class Attendance

Students are expected to attend all classes and be punctual. After an unexpected absence due to illness or emergency, students are responsible for contacting instructors on their first day back to arrange makeup work. Excessive absenteeism may result in loss of course credit. Excessive absences are calculated as twice the number of times the class meets each week. For example, if a class meets two days per week, four absences will be considered excessive.

Federal Educational Rights and Privacy Act (FERPA)

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a federal law that protects the privacy of students' educational records. BRTC students have specific, protected rights regarding the release of such records, and FERPA requires that BRTC adhere strictly to these guidelines. Questions concerning the Family Education Rights and Privacy Act should be referred to the Registrar or the Vice President for Student Affairs.

When Do Student's FERPA Rights Begin?

At BRTC, a student is defined as someone currently or previously enrolled in an academic offering of the college. This does not include prospective students or applicants to any academic program of the college. For those students who are newly admitted to BRTC, FERPA becomes effective on the first day of classes for students who have enrolled in at least one course.

FERPA rights regarding students' educational records include the following:

- 1. The right to inspect and review the student's education records within 45 days of the day BRTC receives a request for access.**

A student should submit to the registrar, dean, head of the academic department, or other appropriate official, a written request that identifies the record(s) the student wishes to inspect. The BRTC official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the BRTC official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

- 2. The right to request the amendment of the student's education records that the student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.**

A student who wishes to ask BRTC to amend a record should write to the BRTC official responsible for the record, clearly identify the part of the record the student wants changed, and specify why it should be changed.

If BRTC decides not to amend the record as requested, BRTC will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to provide written consent before BRTC discloses personally identifiable information from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

BRTC discloses education records without a student's prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by BRTC in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom BRTC has contracted as its agent to provide a service instead of using BRTC employees or officials (such as an attorney, auditor, or collection agent, or verification and or governing state agencies such as the National Student Clearinghouse, Arkansas Board of Nursing, Commission on Law Enforcement Standards and Training, Arkansas Department of Health, Arkansas Department of Higher Education); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for BRTC.

Upon request, BRTC also discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

4. The right to request nondisclosure of public directory information.

BRTC may disclose public directory information upon inquiry unless the student requests nondisclosure. Public directory information includes: name, address, email, phone number, photo, enrollment status, field of study, participation in officially recognized activities and sports, honors and awards, degrees obtained and dates conferred, and dates of attendance. Once a student requests nondisclosure it remains effective until the student notifies the Registrar, in writing, that the request is to be voided.

5. The right to file a complaint with the U.S. Department of Education concerning alleged failures by BRTC to comply with the requirements of FERPA.

The name and address of the Office that administers FERPA is:

Family Policy Compliance Office

U.S. Department of Education

400 Maryland Avenue, SW

Washington, DC 20202-5901

Filing a Complaint on a Staff Member or Instructor

A student wishing to file a complaint on a faculty or staff member should contact the Human Resources Office at BRTC, or the Director of Student Development Office. The preferred method of submitting a formal complaint on any member of the BRTC community is to file the complaint through the electronic complaint form located at the bottom of the main BRTC webpage under the heading “Report an Incident.” Alternatively, students may call the following offices to report a complaint on a BRTC employee:

- Director of Student Development Office at 870-248-4158.
- Executive Director of Human Resources at 870-248-4032.

Students should be aware that *any* form of retaliation toward the student due to a complaint that is filed will not be tolerated by the College.

Firearms

Students, employees, or guests are prohibited from possession of any type of firearm on the campus unless specifically exempted by state law. As of September 1, 2017, state law only allows individuals who meet certain criteria and undergo training to obtain an “Enhanced” permit to carry a concealed handgun on campus. Academic Integrity Policy and Procedures

Academic integrity is the adherence to an ethical code of conduct within academic culture that emphasizes honesty in all scholarly work and includes the avoidance of plagiarism and cheating. Academic integrity promotes the ethical use of research material, protects the intellectual property of the scholars who produce the material, and avoids legal liability associated with copyright violation. Furthermore, students who adhere to academically honest practices maintain their personal integrity by holding themselves responsible for engaging with their assignments, which helps promote their own learning in their coursework.

Students are expected to do their own work on all examinations and assignments. They are also expected at all times to uphold high standards of integrity. Plagiarism, cheating, any other form of theft of intellectual property, allowing another individual to complete part or all coursework for a student, or assisting another student in doing any of these acts are all examples of academic dishonesty and are prohibited. These rules apply to concurrent, traditional, hybrid, and online students.

These rules and regulations are developed and administered by program directors and/or faculty and governed by the Division of Academic Affairs.

Violations of the Academic Integrity policy are academic offenses of academic rules. As such, faculty are charged with appropriately administering academic sanctions for each violation. If a student wishes to appeal a sanction administered for an Academic Integrity violation, the faculty member should direct all Academic Integrity appeals to the Vice President of Academics. This includes Academic Rules violations occurring throughout all learning modalities including traditional, hybrid, and online.

The College approaches each incident as a possible learning experience, and restoring individuals into the learning community while balancing campus safety, a healthy learning environment and each individual's personal responsibility.

Confidentiality

Black River Technical College endeavors to hold the information disclosed during investigations and disciplinary procedures in confidence to the extent practical and appropriate under the circumstances. The College will respect and follow FERPA regulations. - The preferred method for filing a complaint against a student for violations of Student Code of Conduct is to file the complaint via the “Report an Incident” link found at the bottom of the BRTC home webpage.

Additionally, formal complaints may be filed by directly contacting the Director of Student Development utilizing the following directions:

- A complaint containing the name, address, phone number, and email of the complainant and a brief description of the alleged violation shall be made in writing, or emailed to the Director of Student Development:

Black River Technical College
Attention: Director of Student Development
P.O. Box 468
Pocahontas, AR, 72455

Director of Student Development email address: dane.dillion@blackrivertech.edu

Complaints should be filed as soon as possible after the event takes place, but no later than thirty (30) calendar days after the complainant becomes aware of the alleged violation.

Express Presumption of Innocence & Standard of Proof

Subject to all other provisions of the Student Code of Conduct or BRTC institutional policies, any student charged with an infraction under the Student Code of Conduct shall not be deemed guilty of a violation of the BRTC Code of Conduct until the student or student organization formally acknowledges responsibility, or at the conclusion of a disciplinary proceeding during which an institution has established a violation by the student or student organization, utilizing the preponderance of evidence standard. For a student to be found responsible for a violation, the evidence must indicate that it is more likely than not that a violation occurred.

Disciplinary Correspondence

Disciplinary correspondence regarding alleged violations of the Code of Conduct will be dependent on the potential sanction level. If the resulting sanction(s) does not rise to the level of suspension or expulsion, a Level 1 Violation, the Director of Student Development or their designee may choose to consult with the accused student verbally. When a violation(s) could potentially include suspension or expulsion, a Level 2 Violation, this correspondence will generally be delivered to the student via physical delivery of a paper copy. However, the college reserves the right to use other reasonable means to notify students, including the student's BRTC Email account or the most current address listed with the Registrar's Office. Students involved with a College disciplinary matter are responsible for checking their college email account on a regular basis.

Administrative File - Records

BRTC will maintain an administrative file, or an official record, of all disciplinary proceedings. This will include without limitation all documents and evidence in possession or control of BRTC that is relevant to an alleged violation of the BRTC Code of Conduct and BRTC's investigation into the alleged violation of the Code of Conduct, including without limitation:

- Exculpatory evidence (evidence considered favorable to the accused); statements by an accuser or an accused student or a student organization; third-party witness statements; electronically stored information; written communications; social media posts; demonstrative evidence (visual, graphic, or sound aid used to explain or illustrate); documents submitted by any participant involved in disciplinary proceedings; and a video recording, audio recording, or transcript of any disciplinary hearing ultimately held on the matter, the method of recording is chosen by BRTC.

The administrative file will not include privileged documents, internal communications, or communications from nonparties that BRTC does not intend to introduce as evidence at a disciplinary proceeding. Individual portions of the administrative file shall be redacted if confidentiality of the evidence is required by law. Any information contained in the administrative file will remain the property of BRTC.

Preliminary Investigation

When the Director of Student Development or designee receives information that a student has allegedly violated college policies or local, state, or federal law, the Director of Student Development or designee shall investigate the alleged violation(s). After completing a preliminary review of the complaint, within seven (7) business days, or as soon as possible thereafter, the Director of Student Development or designee may dismiss the allegation(s) or may proceed with the process appropriate to the level of violation.

Emergency Suspension

If a student's actions pose an immediate threat or danger to any member of the College community or the educational processes, the Director of Student Development and / or Vice President of Student Affairs or BRTC President may immediately suspend the student after conducting an individualized safety and risk analysis. The decision will be based on whether the continued presence of the student on the College campus reasonably poses a threat to the physical or emotional condition and well-being of any individual including the student or for reasons relating to the safety and welfare of any person(s), college property or college function.

The accused student will be notified by a college administrative official, using any means necessary. Following the notice of emergency suspension, the student will have an opportunity to immediately challenge the emergency suspension with the Vice President of Student Affairs, or their designee.

Provisions for emergency suspension:

- Within 24 hours of implementation of an emergency suspension, written notice will be provided to the accused student that explains the reason(s) for emergency suspension.
- Within three (3) business days of the receipt of written notice, BRTC will conduct an interim hearing to determine whether there is substantial evidence that the suspended accused student poses a risk to the health or safety of any student or other individual and that the emergency suspension of the accused student is appropriate to mitigate that risk. This interim hearing can be waived by the suspended accused student.
 - At the interim hearing, the suspended accused student and the accusing student may be represented by an attorney or a non-attorney advocate who may fully participate to the same extent as in a final hearing to determine responsibility.
 - A suspended accused student's waiver of his or her right to be represented by an attorney or non-attorney advocate shall not constitute an admission of guilt or waiver of additional rights granted under Ark. Code. Ann. § 6-60-1405.

Disciplinary Process - Level 1 Violation(s)

The Director of Student Development or designee will schedule a pre-hearing conference with the Respondent to review the alleged violation(s) of the Student Code of Conduct and the options they have available to them to resolve the matter. The Respondent shall be offered the option of an **Informal Administrative Resolution** or a **Formal Student Conduct Hearing**. The Respondent, having all available information concerning the violation(s) at the time of notice, will have 24 hours to decide which option they would like to utilize to resolve the potential violations.

Summoning a Student for a Pre-Hearing Conference

The Director of Student Development or designee may, by use of an Administrative Summons, formally summon a student to appear for a pre-hearing conference in connection with an alleged violation(s) by sending them a pre-hearing notification communication. Simultaneously, the administrative file concerning the violation(s) will be electronically shared, via student email account, with the accused student.

- The pre-hearing notification communication shall outline the specific charges, and shall instruct the student of the date/time of a scheduled pre-hearing conference. If a student fails to attend the scheduled pre-hearing, a reminder communication will be forwarded to the student. This communication instructs the student of a second scheduled appointment.
- If an accused student fails to attend the second appointment the accused student forfeits all rights as outlined below, and the Director of Student Development may proceed with the disciplinary hearing in the student's absence. The hearing in absence will not be held fewer than five (5) business days from the date of the original charge communication.
- If a student fails, without good cause, to respond to the charge communication sent under this section, the Director of Student Development may proceed with the disciplinary process (including hearings) in the student's absence.

Pre-Hearing Conference

During the pre-hearing conference, the Director of Student Development or designee shall explain the rights, responsibilities, and conduct procedures to the student(s).

Specifically, the accused student's (the Respondent) rights are as follows:

- A. To have a pre-hearing conference with the Director of Student Development or designee.
- B. To have written notice of the violation(s) and an outline of rights prior to an Informal Administrative Resolution or a Formal Student Conduct Hearing. In the event that additional violations are brought, a further written notice must be forwarded to the student.
- C. To review all available information, documents, exhibits, and a list of witnesses that may testify against them.

- D. To review possible sanctions if they are found guilty or claim responsibility for the alleged violation(s).
- E. To elect not to appear at the hearing. The hearing is then conducted in the student's absence without prejudice.
- F. To be assisted by any advisor (limit of one) that is a member of the BRTC Community (student, faculty, or staff) and may not be an attorney. The advisor must be willing to accept the student's request to advise them during the student conduct hearing process. If the student can't find a willing advisor and wishes to have advisor representation, one will be assigned by the Director of Student Development upon request by the student. The complainant and/or the respondent are responsible for presenting his or her own case and, therefore, advisors are not permitted to speak or to participate directly in any hearing.
- G. Unless the student waives all or part of the notice, the formal hearing will not be held fewer than five (5) business days from the date of the original charge communication.

During the pre-hearing conference, the Director of Student Development or designee shall inform the student of the following options for resolution of the alleged violations:

- **Informal Administrative Resolution. See below.**
- Or
- **Formal Student Conduct Hearing. See below.**

Informal Administrative Resolution

If the accused student (Respondent) chooses an Informal Administrative Resolution, the Director of Student Development or designee, will collect evidence and interview the respondent, complainant, and any relevant witnesses to the matter. The respondent will be provided the opportunity to respond to the allegations and to present any evidence relevant to the matter. The Director of Student Development or designee will make a decision based on the facts, and evidence provided. Upon conclusion of the investigation, the Director of Student Development or designee will explain their decision and assign the sanction(s) in writing, generally via email. An Informal Administrative Resolution may be made available to the student at the conclusion of the pre-hearing conference. If the Respondent does not agree with the decision and sanction(s) assigned, they may request an appeal to an Appeals Hearing Committee by following the appeals process.

Formal Student Conduct Hearing

If the accused student (Respondent) opts to have a Formal Student Conduct Hearing, the Director of Student Development or designee, shall prepare for and schedule a hearing. The Respondent shall be entitled to appear in person, before a three (3) person Student Conduct Hearing Panel and present his/her defense. The student may also elect not to appear, in which case the hearing shall be held in his/her absence. The failure of the student to appear should not be taken as indicative of guilt and must be noted without prejudice.

Formal Student Conduct Hearing Process

- If the student (Respondent) elects to attend the hearing, he or she shall hear all testimony and may ask relevant questions of witnesses.
- The Director of Student Development will direct the hearing unless there is a conflict of interest. If a conflict of interest is found, the V.P. of Student Affairs will assign another college official to direct the hearing.
- The student shall be entitled to the right to remain silent throughout the disciplinary proceedings and such refusal to participate should not be taken as indicative of guilt and must be noted without prejudice.
- The Complainant (person filing the complaint) and the accused student (Respondent) have the right to be assisted by any advisor they choose. The advisor must be a member of the BRTC Community (student, faculty, or staff) and may not be an attorney (for level 1 violations). For level II violations the Complainant and Respondent have the right to utilize an attorney at their own expense who may fully participate in the hearing. The complainant and/or the Respondent is responsible for presenting his or her own case and, therefore, advisors are not permitted to speak or to participate directly in any hearing. Failure of those accompanying the student to comply with the above statement will result in him or her being asked to leave the hearing.
- The Complainant, the accused student (Respondent), and The Director of Student Development, shall have the privilege of presenting witnesses, subject to the right of cross-examination. All questioning will be conducted by the Director of Student Development, VP of Student Affairs, or the Hearing Committee. Questions may also be asked or suggested by the accused student. Answers to such questions shall be directed to the Hearing Committee.
- Any person present during the hearing who exhibits conduct that impairs, impedes, interferes with, or obstructs the orderly disciplinary process, may be asked to leave the hearing.
- Pertinent records, exhibits, and written statements may be accepted as evidence for consideration by the Hearing Committee.
- The Student Conduct Hearing Panel will be allowed to ask questions throughout the hearing and the committee's determination shall be made based on the facts and evidence presented on whether or not the accused student(s) violated the student code, rules, regulations, policies, or procedures.
- The student (Respondent) shall be entitled to an explanation of violation(s) and of any sanction(s) assessed.
- The Student Conduct Hearing Panel's decision may be appealed to a Hearing Committee. See appeals process below.

The Student Conduct Hearing Panel will consist of three members of the campus community (Faculty and/or Staff) who are selected by the Director of Student Development and approved by the Vice President of Student Affairs.

Level 1 Violation(s) Appeals Procedures

Request for a Level 1 Violation(s) Appeal

If the student (Respondent) wishes to contest (appeal) the decision of the Student Conduct Hearing Panel or the Director of Student Development or the designee to an Appeals Hearing Committee, the student shall, within three (3) working business days of the receipt of official notice of disciplinary sanctions, submit a written or emailed statement requesting an appeal hearing, and why they are requesting a hearing to the following:

Black River Technical College
Attn: Director of Student Development
P.O. Box 468
Pocahontas, AR, 72455

The statement may be emailed to the Director of Student Development directly at:
dane.dillion@blackrivertech.edu.

Provisions Pertaining to Level 1 Violation(s) Appeals

Appellate review shall be on the record in the case and does not include a right of additional hearings or meetings on behalf of the student. The function of the Appeals Hearing Committee in reviewing an appeal is that of reviewing if the appeal meets one of the four grounds listed below:

- A. An alleged violation of the rights guaranteed the accused has occurred.
- B. The sanction(s) imposed are outside the College's sanction range for such violations and/or not justified by the nature of the offense.
- C. New and significant evidence that was not available at the time of the hearing has developed which has a bearing on the outcome.
- D. An objective assessment of the evidence under the preponderance of evidence standard does not support a finding of responsibility.

The Director of Student Development or the Vice-President of Student Affairs has the authority to deny a student's case for an appellate review in the event that the appeal does not meet the below listed criteria:

- Be submitted within the designated time frame from the date of the decision.
- All appeals must be in writing signed by the student or student representative of a student organization.
- Select one or more of the four (4) appeal grounds.
- Provide a detailed discussion of the reasoning for the selected ground(s) for appeal and the student's or student organization's evidence to support the reasoning.

The charged student will be notified via administrative summons, phone call, or email, of the date, time, and location of the hearing at least two (2) business days before the hearing and within ten (10) working days (if possible) of the submission of the appeals request.

Level 1 Violation(s) Appeals Hearing Process

The Appeals Hearing Committee will consist of three (3) members of the campus community (Faculty and/or Staff) who are selected by the Director of Student Development and approved by the Vice President of Student Affairs.

- The accused student (Respondent) shall be entitled to appear in person and present his/her defense. The student may also elect not to appear, in which case the hearing shall be held in his/her absence. The failure of the student to appear should not be taken as indicative of guilt and must be noted without prejudice.
- The respondent and complainant are responsible for presenting their own case and shall not be represented by legal counsel. Witnesses shall also not be represented by legal counsel. The respondent and complainant may be accompanied by a member of the faculty, staff, and/or a member of the student body of the college as an advisor.
- Those who accompany the student will not be allowed to testify nor ask any questions of anyone present at the hearing nor permitted to speak or to participate directly in the hearing. Failure of those accompanying the student to comply with the above statement will result in him or her being asked to leave the hearing.

Disciplinary Process - Level 2 Violation(s)

The disciplinary process for a serious violation of the BRTC Code of Conduct, institutionally defined in the Student Handbook as a Level 2 Violation (see definition above), shall be carried out in accordance with the provisions outlined in Ark. Code Ann. § 6-16-1401. When a violation of the BRTC Code of Conduct occurs, and through investigation or at the inception of the case, it is determined that a sanction could include suspension or expulsion, the following process will be followed.

An accused student who faces suspension or expulsion is guaranteed the following rights:

- The right to receive a copy of Ark. Code Ann. § 6-60-1404.
- The right to be advised by BRTC of the aforementioned rights before a disciplinary proceeding is scheduled and at least twenty-four (24) hours before a student or student organization may be questioned by BRTC or an agent of BRTC regarding any allegation of a serious violation. This right does not apply to Campus Police investigating a possible criminal violation.
- The right to be represented by an attorney, or non-attorney advocate if the student or student organization prefers. An attorney or non-attorney advocate representing the student

or student organization may fully participate during a disciplinary proceeding. This right applies until the conclusion of the appeals process. It shall be the student or student organization's responsibility to make arrangements for the use of attorney or non-attorney advocate. BRTC shall not be responsible for providing, training, or paying for the services of an attorney or non-attorney advocate.

- The right to be presumed innocent until the student or student organization acknowledges responsibility for a violation(s) of the BRTC Code of Conduct, or the conclusion of a disciplinary proceeding during which BRTC has established every element of the alleged violation(s) of the student or student organization.
- The right to have the opportunity for a live hearing.
- The right to be present at a disciplinary proceeding.
 - The student or student organization may waive this right by providing, in writing, their intention to waive this right. It must be signed by the student or student organization and the adjudicator(s) of the disciplinary proceeding. The signed waiver will be provided to the student or student organization and placed in the administrative file.
 - If a student or student organization properly waives their right to be present at a disciplinary hearing, the student or student organization shall not have a right to appeal BRTC's initial decision.
- The right to make an opening and closing statement.
- The right to present relevant evidence.
- The right to cross-examine adverse witnesses through an attorney or non-attorney advocate, which the student is responsible for selecting and compensating.
- The right to reasonable continuing access to the administrative file that pertains to the student or student organization(s) alleged violation(s) and the ability to review all evidence or documents in the administrative file beginning at least seven (7) business days before a disciplinary proceeding, or sooner if otherwise specified by federal law.
- The right for a disciplinary proceeding to be carried out free from conflicts of interest by ensuring there is no commingling of administrative or adjudicative roles. This means that of none of the following parties may have more than one role in the disciplinary process:
 - Attorney or non-attorney advocate for a complaining or accused student or student organization
 - Investigator
 - Adjudicator
 - Appellate adjudicator
- It is not a conflict of interest for the investigating BRTC official to also present evidence to an adjudicator.
- The right of an opportunity to appeal BRTC's decision reached during a disciplinary proceeding.

When the complainant is a student or student organization, these additional rights apply:

- The right of a student or student organization that makes a complaint against another student or student organization for purposes of a disciplinary hearing to be represented at the student or student organization's own expense by an attorney, or if the complaining student or student organization prefers, a non-attorney advocate, who may fully participate during a disciplinary proceeding. This right applies until the conclusion of the appeals process.
- The right to reasonable continuing access to the administrative file that pertains to the student or student organization(s) alleged violation(s) and the ability to review all evidence or documents in the administrative file beginning at least seven (7) business days before a disciplinary proceeding, or sooner if otherwise specified by federal law.
- The right of an opportunity to appeal BRTC's decision reached during a disciplinary proceeding.
 - BRTC will simultaneously notify both the student or student organization that makes a complaint against another student or student organization and the student or student organization that is the subject of a complaint of the procedures to appeal the result of a disciplinary hearing.

Level 2 Violation(s) Appeals Procedures

Request for a Level 2 Violation(s) Appeal

If the student (Respondent) wishes to contest (appeal) the decision of the Student Conduct Hearing Panel or the Director of Student Development, or their designee, to an Appeals Hearing Committee, the student shall, within twenty-five (25) business days of the receipt of official notice of suspension or expulsion as a result of a disciplinary proceeding, submit a written or emailed statement requesting an appeal hearing, and why they are requesting a hearing to the following:

Black River Technical College
Attn: Director of Student Development
P.O. Box 468
Pocahontas, AR, 72455

The statement may be emailed to the Director of Student Development directly at:
dane.dillion@blackrivertech.edu.

Provisions Pertaining to Level 2 Violation(s) Appeals

Appellate review shall be on the record in the case and does not necessarily include a right of additional hearings or meetings on behalf of the student unless determined necessary by the Appeals Hearing Committee. The function of the Appeals Hearing Committee in reviewing an appeal is that of reviewing if the appeal meets one of the four grounds listed below:

- A. An alleged violation of the rights guaranteed the accused has occurred.
- B. The sanction(s) imposed are outside the College's sanction range for such violations and/or not justified by the nature of the offense.
- C. New and significant evidence that was not available at the time of the hearing has developed which has a bearing on the outcome.
- D. An objective assessment of the evidence under the preponderance of evidence standard does not support a finding of responsibility.

The Director of Student Development or the Vice-President of Student Affairs has the authority to deny a student's case for an appellate review in the event that the appeal does not meet the below listed criteria:

- Be submitted within the designated time frame from the date of the decision.
- All appeals must be in writing signed by the student or student representative of a student organization.
- Select one or more of the four (4) appeal grounds.
- Provide a detailed discussion of the reasoning for the selected ground(s) for appeal and the student's or student organization's evidence to support the reasoning.

The charged student will be notified via administrative summons, phone call, or email, of the date, time, and location of the hearing at least two (2) business days before the hearing and within ten (10) working days (if possible) of the submission of the appeals request.

Level 2 Violation(s) Appeals Hearing Process

If the Appeals Hearing Committee determines an appeals hearing is necessary, the following rules will apply: The Appeals Hearing Committee will consist of three (3) members of the campus community (Faculty and/or Staff) who are selected by the Director of Student Development and approved by the Vice President of Student Affairs. The individuals serving on the Appeals Hearing Committee must be different from those who served on the hearing committee which found the student or student organization to be in violation of the BRTC Code of Conduct.

The same rights granted under the above-heading "Disciplinary Process - Level 2 Violation(s)" are applied to Level 2 Violation(s) Appeals Hearings.

The Appeals Hearing Committee's decision is **final** and may not be appealed further.

Disciplinary Sanctions

In keeping with the College's values, sanctions are designed to promote the College's educational mission. Sanctions may also serve to promote safety or to deter students from behavior which harms, harasses, or threatens people or property. Some behaviors are so harmful to the College community or the educational process that they may require more serious sanctions:

- removal from specific courses or activities;
- suspension from the College; or
- expulsion.

In an effort to be developmental and educative, The Director of Student Development's office is less concerned in administering "punishment/sanctions" for student conduct violations as it is concerned about a student's willingness to take personal responsibility for their actions along with an understanding of how the student's behavior affects others and how engaging in that behavior may affect the student's personal and professional future.

Disciplinary sanctions will draw upon the experience and professional judgment of the Director of Student Development and upon a range of disciplinary techniques. Disciplinary sanctions in response to violations of the Student Code of Conduct will be correlated to the seriousness of the offense, the effect of the misconduct on the College environment, the student's record of misconduct, the student's willingness to take personal responsibility for their actions, and statutory requirements. Because of these factors, sanctions for a particular offense (unless specified by law) may bring into use varying techniques and responses. Possible disciplinary sanctions include, but are not limited to the following:

- **Formal warning:** A formal notice that the Code has been violated and that future violations will be dealt with more severely.
- **Disciplinary probation:** Implies that the individual's standing with the College is in jeopardy and that further negligent or willful violations will normally result in suspension or expulsion.
- **Restitution:** Compensation for loss, damage, service, or material replacement.
- **Class or workshop attendance:** Enrollment and completion of a class or workshop that could help the student understand why his or her behavior was inappropriate (for example, completion of an online class or workshop pertaining to anger management or three counseling sessions with the Director of Student Development).
- **Removal from specific courses or activities.**
- **Restriction from entering specific college areas and/or forms of contact with certain persons.**
- **Counseling, Psychological Evaluation, or Treatment as deemed appropriate.**

- **Suspension:** Separation from the College for a specified period of time or until certain conditions are met.
- **Expulsion:** Permanent separation from the College.
- **Interim Suspension:** Immediate but temporary suspension of a student or individual by a college administrative official on the grounds of campus and individual safety.
- **Interim Action:** Any temporary action imposed by a college administrative official on the grounds of campus and individual safety.
- **More than one of the sanctions listed above may be imposed for any single violation.**

All sanctions imposed upon a student shall remain in effect while the student is enrolled at BRTC. If a student re-enrolls in the college at a later date the sanctions shall still be in effect.

Students who have prior disciplinary sanctions imposed and commit further violations of the student handbook or BRTC policies are subject to further disciplinary sanctions. Instances of specific academic program violations or program removal shall be deemed as student disciplinary sanctions and may be considered for further college disciplinary action up to and including suspension and expulsion.

The sanctions imposed under these standards do not diminish or replace the penalties available under generally applicable civil or criminal laws. Students are reminded that many violations of the Code including harassment, assault, threats, and other behavior, may violate various local, state, and federal laws.
